## **Competition Organisers Report**

**This year is significant as it is the last for slides. Nine clubs sent an entry producing a total of 66 slides. The trophies will next year be used in other sections of the competitions.**

**The reduction from 4 to 3 entries per person was very successful and the total entry received was manageable within the days judging.**

**On behalf of Northern Counties I wish to thank Peter Yeo FRPS DPAGB APAGB from Gainsborough and Bob Rowe ARPS CPAGB from Nottingham for their expertise in judging the prints and the PDI. Sincere thanks also to the NCPF judge Dave Coates ARPS EFIAP/g PPSA MPAGB APAGB who worked with them. Thanks also to George Ledger DPAGB who judges the Beginners sections prints and PDI. Thanks must also go to the NCPF judges who selected the Alliance entry and the Portfolios.**

**Finally my personal sincere thanks to the excellent team who have worked with me in harmony during this past year Alan Porrett, Cliff Banks, John Gilkerson, Chris Morton, Jo Duffy and Brian Pearson. A further vote of thanks must go to the members of several clubs who worked hard and cheerfully as the support team during the judging weekend. Each and every contribution was vital to the success of the weekend.**
