

Northallerton Camera Club - Club Competitions 2011-2012

The club has four "Members' Night Competitions" each season. There is also a competition based on the four Outings held the previous summer, and a competition based on a literary quotation, known as the "Literary Shoot". These competitions allow a maximum entry of three projected images and/or three prints per member.

In addition, there is a two way Inter-club competition with Wensleydale CC and a three way Competition with Stokesley PS and Gallery PG of Stockton. These two competitions allow members to submit a maximum of two images for projection and/or two prints. Our club entry is selected from this pool of images, trying to ensure that each member has at least one image selected to represent the club if possible. Please note that the Club's Annual Exhibitions are explained in separate documents which are also available on the Knowledge Page.

I can see a picture.
Tell me what you can see-
Blue-bells in a wood,
And green leaves on a tree.

I can see a picture.
Tell me what you can see-
A fleet, a fleet of fishing boats
And sunshine on the sea.

I can see a picture.
Tell me what you can see-
Apples on the bending bough,
As rosy as can be.

I can see a picture.
Tell me what you can see-
A choir of children carolling,
Around a Christmas Tree.
